Thomas vs. Gay, U. S. 164, Fifth-Because both territories have the necessary population, each having about 500,000, 90 per cent of whom are American cirizens.

Sixth-Because both territories have the soil, resources and climate to sus and steady increase.

Seventh-Because both have sufficient taxable property to support a state government without excessive inxation. Eighth-Because the work of the Dawes commission has been so nearly completed as to no longer interfere with immedican territorial chairman will issue a call ste statehood. That commission has concluded treaties with all the Indian tribes providing for the allotment in menced. Many families reached the city severalty of their lands and authorizing today for the purpose of appearing before the sale of all except the homestead, the Dawes commission for enrollment. ble of any kind to give it a faithful senate substitute bill for the admission of These aflotments will probably be comwill endorse the pending omnibus bill and can be organized. The lands of the Creek and Seminole nations have all ben allottute bill as directly opposed to the Re- ted. in the Cheroftee, Choctaw, and the Chickesaw nations the lands have all been surveyed and classified and the and will reach the territory before Febwork of allotment is now simply cierical and should be completed within twelve the allotment. Very few can speak Engmonths. After allotment these lands are lish, subject to laxation excepting the homestends, which aggregate less than 25 per cent of the total. The mineral and asphalt lands of the Choctaw and Chickasaw nutious are to be sold by the secretary of the interior and as soon as sold will of course be taxable. It therefore is beyond controversy that the work of the Dawes commission no longer interferes with statehood, and there is

an abundance of taxable property. Ninth-Congress can reserve such power over Indian affairs as it desires, and statehood will in no way interfere with the free action of the interior department in carrying out all the treatca between the government and the several tribes. In this opinion we are Hosen Townsend of the southern district of the Indian Territory.

e favor the creation of a school fund for the Indian Territory. Congress is bound by precedent and principle to do this. It can be done by purchasing a portion of the coal lands which are already ordered sold by the existing treator, if congress prefer, it can purchase the excess lands of the Choctaws to be seen and Chickesaws, made subject to sale by the recent treaties, and donate to the state these for school purposes. In this connection we call the attention of congress to the fact that congress has CHOCTAW EMPLOYES TO BE RE-heretofore uniformily donated school WARDED Little was known of the man exempt.
